

**Records of Aquatic Accidents and Rescues
at Island East Swimming Pool**

Year	No. of drowned incidents	*No. of rescue cases	**No. of aided cases	No. of accidents
2001	0	0	0	11
2002	0	3	0	11
2003	0	0	0	7
2004	0	0	31	2
2005 (as at June)	0	0	28	3

Notes:

1. * The lifeguard was required to leave his / her normal post in order to rescue the victim. A substitute lifeguard was needed to be on guard at the pool.
2. ** The lifeguard was merely required to render help at the poolside in order to help the victim out of water.
3. Before 2003, Island East Swimming Pool was not required to keep a record of the number of aided cases.
