## Booking Procedures

### Booking camp places available within 10 days for non-SmartPLAY patrons

Non-SmartPLAY patrons could only book camp places available within 10 days (including the booking day) from the current date. They should call the office of the holiday camp concerned direct. The deadline for booking of evening and residential camps is one day before the check-in date. The LCSD may, however, consider on-the-spot bookings depending on the actual circumstances.

### Booking arrangement for Schools and Other Groups/Organisations with Priority Booking Status

- Local schools (including kindergartens, primary schools, secondary schools and special schools) and groups/organisations with priority booking status (including higher education institutions recognised by government departments and the Education Bureau, subvented non-governmental organisations registered with the Social Welfare Department, charitable organisations registered with the Inland Revenue Department and National Sports Associations recognised by the Sports Federation & Olympic committee of Hong Kong, China) can reserve day/evening/residential camp places 6 months in advance. This arrangement is applicable to camp places on regular school days only (i.e. from Monday to Friday). It does not apply to day/ evening/ residential camp places on public holidays, and residential camp places on the day preceding a public holiday.
- Groups/organisations should submit the completed booking form, together with documentary proof that they have registered with relevant departments/organisations, to the holiday camp concerned by post, email or fax by the submission deadlines.
- Submission deadlines are listed as follows:

Month of intended use	Submission deadline	Month of intended use	Submission deadline	Month of intended use	Submission deadline
January	30/6 of the preceding year	May	31/10 of the preceding year	September	28/2 or 29/2 of the same year
February	31/7 of the preceding year	June	30/11 of the preceding year	October	31/3 of the same year
March	31/8 of the preceding year	July*	31/12 of the preceding year	November	30/4 of the same year
April	30/9 of the preceding year	August**	Not applicable	December	31/5 of the same year

\* For July, local schools and groups/organisations with priority booking status can only make this arrangement for camp places on school days as specified by the Education Bureau.

\*\* Since there are no school days in August, this arrangement is not available for local schools and groups/organisations with priority booking status.

- Camp places will be allocated by ballot, which is held at 3:00 pm on the fifth working day of the sixth month prior to the camping date (e.g. the ballot for places in May will be held on the fifth working day of November of the preceding year) at the office of the holiday camp concerned.
- Local schools will be given priority in the ballot.
- Successful applicant schools and groups/organisations will be notified in writing of the payment method.
- Schools interested in booking camp places left unfilled after the ballot may contact the office of the holiday camp concerned direct.
- For successful applications, if all campers of a group/organisation fail to check in without a valid reason, a default notice will be served on the group/organisation concerned. Within 12 months after the serving of the first default notice, if the group/organisation concerned is served with a second default notice across LCSD holiday camps in any type of camp place, its eligibility for 6-month advance priority booking will be suspended for 12 months. LCSD will reserve the right to reject its future applications for camp places.
- If a group/organisation with priority booking status fails to provide documentary proof that it has registered with relevant departments/organisations, its application will not be processed.
